

About us

LiLux a.s.b.l.

Lilux ASBL is an non-profit organisation promoting the usage of the GNU/Linux system as well as other free and open-source software. However, our aim is not only to give technical advice and support, but also on a political level are we trying to help the free software movement to build a better future.

Our bylaws:

- [Initial bylaws](#)
- [Amendments of 26th February 2004](#)
- [Amendments of 31st March 2009](#)
- [Bylaws as of 31st March 2009 \(coordinated text, including all the above\)](#)
- [Amendments of 26th March 2010](#)
- [Current bylaws \(coordinated text, including all the above\)](#)

Our meetings are usually organised at [LGL \(map\)](#) Infos on **20.333.222-99**
